Experience

05/2021 - 08/2021

Front End, Menards - Merrillville, Indiana

- Worked at Menards in Merrillville, Indiana as a front end employee.
- Was a great team worker for not only my managers but for my colleagues that worked in that department with me.
- Helped a great deal with customers who don't know where some things may be at and even helped take their items to their car.
- Earned a promotion after working for two months at the establishment.
- Never missed a day of work.

08/2020 - 05/2020

Volunteer Work, Food Bank of Northwest Indiana - Merrillville, IN

- 10 hours of volunteer work at the food bank.
- Volunteered for both school and also for the cause of giving to others that don't have much or can't provide for others.

10/2019 - 03/2020

Robotics and Engineering Club, Andrean High School - Merrillville, IN

- Learned python coding language.
- Helped a group of team members build a vex clawbot.
- Coded the vex bot to move and grab objects.

08/2021 - Present

Computer Science Classes, IUN - Gary, IN

- Took a year of CS classes in which I learned networking, coding, and how to work with Microsoft products.
- Taught myself how to code certain projects such as a game, website, and story board.

Education

08/2020 - 05/2021

Animation, Purdue University - West Lafayette, IN

08/2021 - Present

Computer Science, Indiana University Northwest - Gary, IN
